

## Hunting

As we develop the proposal for the Glacial Heritage Area (GHA), the External Advisory Team and the Department of Natural Resources would like to hear from you about your outdoor recreation interests and needs. We want your help in shaping the project!

1. On the line below, mark the approximate number of ***total*** days you went hunting **in the past year** (*regardless of location*).

2. Approximately how many days did you spend hunting the following species *just within the Glacial Heritage Area*?

____ Deer – gun	____ Dove
____ Deer – bow	____ Waterfowl
____ Turkey	____ Squirrel, rabbit
____ Pheasant	____ Other _____

3. Approximately what percent of your hunting days *in the Glacial Heritage Area* were spent on:

\_\_\_\_ Private land  
 \_\_\_\_ Public land

4. From the list below, please write a 1, 2 and 3 next to the top *three* changes that would encourage you to go on more hunting outings *in the Glacial Heritage Area*. (1 = most important reason).

\_\_\_\_ if there were more public places to go hunting  
 \_\_\_\_ if the places to go hunting were less crowded  
 \_\_\_\_ if there was better access to hunting lands from roads  
 \_\_\_\_ if there were more trails on hunting lands  
 \_\_\_\_ if there was more information or better maps about places to go  
 \_\_\_\_ if there were fewer conflicts with people participating in other recreation activities  
 \_\_\_\_ if there were more facilities (bathrooms, water, etc.) at the places to go hunting  
 \_\_\_\_ if the places to go hunting were better posted or signed  
 \_\_\_\_ if there was more habitat for the species I prefer to hunt  
 \_\_\_\_ if places to go hunting provided better access to people with disabilities  
 \_\_\_\_ other \_\_\_\_\_  
 \_\_\_\_ none of the above, nothing prevents me from going on more hunting outings (I currently go hunting about as often as I wish to)
